About the Client:

Giap Nguyen started Straight to the Point Archery in 2005. He's an avid and accomplished archer himself, having competed with the United States Archery Team in the 2000 Summer Olympics. He has three children, and started Straight to the Point in part because he was not satisfied with the archery education options for them in Tacoma. After The Hunger Games books and movies came out, he noticed a surge in popularity of archery among young people, especially young women, and the business has been booming ever since.

About the Users:

Giap tells you that people who use the site are mostly current and prospective students. They're interested in learning about the facilities and services available, as well as being reminded of the class schedule and location.

Instructors:

Derek Jenkins: Derek is a Washington native and an experienced outdoorsman with many years hunting, fishing, skiing, canoeing, archery, shooting and minimalistic camping. His skillful mastery of bushcraft and wilderness survival knowledge helps define his character. He enjoys handcrafting his own long bows, flint knapped primitive arrows and making custom leather products.

Amy Smith: Amy truly has a passion for archery. She comes from a long line of hunters, fisherman, and trappers of Canada. Amy places a strong emphasis on safety and is enthusiastic about teaching. Amy also loves fitness, and has been a YMCA group exercise and personal trainer for over 18 years.

Nathan Lee: Nathan is an USA Archery Certified Level 3 NTS – Coach and has been teaching archery since 2009. He has been interested in archery since he nocked his first arrow while a Boy Scout at Scout camp.
